**Work Plan**

The Los Alamos National Laboratory Oversight Committee proposes to focus on the following topics this interim:

1. New Mexico-related issues in the bid and award process for the new contract to manage Los Alamos National Laboratory (LANL), including the effects of the provisions of the new contract on the state, on northern New Mexico communities and residents and on laboratory employees;
2. LANL computer security issues;
3. LANL employee workplace issues;
4. educational issues; and
5. environmental clean-up.

The committee has scheduled joint meetings with the Information Technology Oversight Committee and the Radioactive and Hazardous Materials Committee on issues of shared interest.
